

The Trust Talk newsletter focuses on the work of Lancashire Children's Trusts at both a county and district level. It is a way of providing current information and the latest news to keep you up to date with some of the work Children's Trusts are involved in. It is also be a way for us all to share how we are working in partnership and through this how we are better able to meet the needs of our children, young people and their families.

*Please note: From October 2011 there will be 13 versions of the newsletter one for each of the twelve Districts and one County version*

## Main sections:

- Welcome message from Trust (from different members of the Trust Board)
- General messages about the Trust (Governance/membership/support updates)
- News in brief... (e.g. Best Start, Early Support, Workforce Development...)
- Lancashire Children and Young People's Plan – spotlight on... (CYPP priority)
- District Round Up... (12 separate inserts – each containing one page of District specific data and one page of District specific case studies – approx 3)
- Getting involved – participation news
- General Trust contact and signposting information
