Dear Colleague

I am writing to inform you of a piece of work that is being developed between Poulton Children's Centre's Outreach & Family Support Team & LDWA, we are in the process of forming a group for women whom have had experiences of domestic violence, whether it be their own, their family member that has been abused or the abuser. They must have been out of the relationship for at least 3/6 months. We have attached a referral form as we looking to invite women to this group, with a view to starting up February/March this year, we are inviting you to this meeting on Tuesday 1st February at 1pm at Poulton Children's Centre, with a view to bringing referral forms to this meeting, so we can discuss the group & start the process of allocating women to the group.

Hope you will be able to attend.

You can contact me on 07825207040 or email Stephanie.pearce@lancashire.gov.uk

Yours

Steph Pearce
