

You are invited to come & join us

We have started a group that we feel you would benefit from joining.

The idea behind the group is for you all, as members, to have ownership, deciding what it is you want from your group & come to meet other women that have had similar experiences to you.

We have chosen you to be invited as you have, in the past had experience of Domestic Violence/Abuse.

We would hope that you will come along to our group session to be held at Bowerham Nursery (at the present time) in Lancaster, on Tuesdays from 1–3pm, we are off for the Easter holidays from 5th April to start back 26th April 2011.

Hope you can come along.
