

To all Help Direct Contacts and Partner Agencies:

Carnforth Fire Station is in the process of being refurbished, and now boasts a very attractive new meeting room which can accommodate about a dozen people, or more if they don't need to be sat around one table. It comes complete with a mini-kitchen for making refreshments.

The Fire Station Manager Mick Duffel has asked me to circulate information about this new facility to any contacts who may need to book a **FREE** meeting space or activity space in Carnforth, as he is keen that the Fire Station should be a resource for the whole community.

It could currently be available most times through the week, apart from Tuesday evenings.

To enquire about using this room, please contact:
