

Lego® Club

A series of monthly sessions across Lancashire providing support for children with Autism between 5 and 12 years

Encouraging play and social interaction between a small group of children with Autism through the use of Lego®

Designed to encourage and support children in building Lego® models, promoting fun whilst developing social communication

Monthly Groups taking place in;

Burnley, Chorley, Fylde, Hyndburn, Lancaster, Pendle, Preston, Ribble Valley, Rossendale, South Ribble West, Lancashire and Wyre

Taking place in each borough on one evening per month, usually between 5-6pm

Please get in touch with us for full details about venues and session times and an application pack
